Pittsburgh, PA

Associate Degree In Technology - Visual Communications

Graduating Class Spring, 1989

Noteworthy: I received a full-tuition scholarship from a portfolio competition among student applicants at A.I.P.

Erie Insurance Group - Graphic Design Department

May 1989 - March 1994

Title: Graphic Designer

Responsibilities: All aspects of corporate graphic design including:

Art direction, graphic design, photography, illustration, production & pre-press.

I was responsible for many graphic design projects including several company publications. I facilitated the shift from conventional (drawing board) production to an all digital environment. This included team leadership and training as well as equipment justification.

Pittsburgh-Erie Color Plate, Inc.

August 1993 - September 1994

Title: Sr. Scitex System Operator

Responsibilities: All aspects of computer controlled pre-press.

Digital Alchemy

Sept 1994 - Present

Title: Owner/Operator

Responsibilities: Production of commercial art for a variety of media including print, video, multi-media, internet and software application development. Scitex system operator which includes: scanning, color correction, photo-retouching and special effects. Also responsible for lithographic film production which includes: pre-flight, ripping, trapping, plotting, quality control and digital and analog proofing. General business administration and production management.

Infinite Development. Inc.

September 2003 - Present

Title: Production Manager and Art Director

Erie Institute Of Technology

April 2004 - December 2004

Title: Instructor

Responsibilities: Instructed many courses for the Multi-Media Graphic Design Curriculum including: Intro to Graphic Design, Digital Photography, Dreamweaver, Flash, Pagemaker, Photoshop and Portfolio. I am still involved with the school's Externship Program.

Slate and Copper Sales Co.

August 2004 - Present

Title: Director of Corporate Communications

Work Experience
